The Waste Management Action Committee  
*presents:*

# What goes around....

# .... comes around !

**1. Lifecycle of a Battery** with Marcia Doty **Do you know how batteries are made** and where they go when you're done with them? Learn the lifecycle of a battery headed for the landfill and one that is recycled. **2. Facts and Figures** with Deborah Pendrey **Plastic is a huge toxic problem.** See what goes on behind the scenes in the making and recycling of plastic products **3. We'll finish the evening with award winning short film 'The Story of Stuff'. Please join us!**
